

# Healing Beyond Fear

Science + Faith = Real Healing. Mental peace, not fear.

## About Healaura

Healaura is a wellness initiative focused on helping people — especially in rural India — overcome trauma, superstition, and ghost-related fear using scientific mental healthcare, emotional support, and cultural understanding.

## Our Services

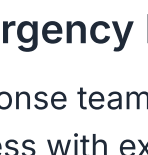

### Counseling

Expert sessions to heal fear and superstition with empathy and psychological support.

### Awareness Workshops

Community education in villages to fight myths and promote mental well-being.

### Emergency Help

Quick response teams to handle spiritual distress with expert referrals.

## Paranormal Investigation

Our verified partners include trained paranormal researchers who respectfully investigate cases involving supposed spirit activity to rule out psychological or scientific causes first.
